## Travelling to the US

ESTA Authorities for individual travel to the USA under the Visa Waiver Program.

US Customs have introduced new enhanced security requirements for travellers entering the USA under the visa waiver program. It is mandatory for all individuals who plan to travel to the USA under the Visa Waiver Program to receive an authorisation through the ESTA website before travel to the USA. Applications can be made at any time at the ESTA website. Applicants will be asked to answer basic biographical and eligibility questions typically

requested on the current paper form completed on board the flight ( I94W form). The system will advise the applicant whether their travel to the USA is Authorised, Not Authorised or Authorisation pending.

Travellers must now apply for their ESTA at least **72 hours in advance of travel**.

For all guests who have approved ESTA's there will be no change to their check-in. Travellers arriving at the airport for travel to the United States without a previously approved ESTA will likely result in being denied boarding.

For more information visit the US Department of State website. <https://esta.cbp.dhs.gov/>

Other points of note:

An application fee applies when applying for an ESTA. Please refer to the US Department of State website.

Even if a traveller has an ESTA they will still be required to complete a paper form I94W and present it to US Customs on arrival into the USA.

Accompanied and unaccompanied children, regardless of age, will be required to obtain an independent ESTA approval.

VWP nationals who have valid visas, and other nationals that require visas, will not be required to apply for an ESTA.

An ESTA is valid for two years (unless the passport data limits validity) and will be considered acceptable for multiple use.

US Customs recommends that ESTA applications be submitted no less than 72 hours before travel.

### Travelling to Canada

ELECTRONIC TRAVEL AUTHORIZATION for flights to Canada

The government of Canada has introduced a new entry requirement, known as an Electronic Travel Authorization (eTA), that applies to visa-exempt foreign nationals travelling to or transiting Canada by air. Visa-exempt foreign nationals must obtain an eTA before they can board a flight to Canada. To complete your application for an eTA, you will need a valid passport, a credit card and an email address. An eTA costs \$7 CAD and is valid for up to five years or until the passport expires (whichever comes first). For more information please go to

<https://www.canada.ca/en/immigration-refugees-citizenship/services/visit-canada/eta.html>.

### Travelling to New Zealand

From 1 October 2019, Australian permanent residents need a New Zealand Electronic Travel Authority (NZeTA) to enter New Zealand. Australian citizens are exempt from this requirement. For more information go to <https://www.immigration.govt.nz/new-zealand-visas/apply-for-a-visa/about-visa/nzeta>

### Visas / Travel Warnings

Please ensure you have any applicable Visas for the countries you are visiting or transiting. It is your responsibility to obtain correct Visas documentation.

Visa information can be obtained from [www.cibtvisas.com.au](http://www.cibtvisas.com.au) or by contacting your travel consultant for information. It is also recommended that you check

[www.smarttraveller.gov.au](http://www.smarttraveller.gov.au) for health and consular travel warnings for all destinations.

## Travelling to the US

ESTA Authorities for individual travel to the USA under the Visa Waiver Program.

US Customs have introduced new enhanced security requirements for travellers entering the USA under the visa waiver program. It is mandatory for all individuals who plan to travel to the USA under the Visa Waiver Program to receive an authorisation through the ESTA website before travel to the USA. Applications can be made at any time at the ESTA website. Applicants will be asked to answer basic biographical and eligibility questions typically requested on the current paper form completed on board the flight ( I94W form). The system will advise the applicant whether their travel to the USA is Authorised, Not Authorised or Authorisation pending.

Travellers must now apply for their ESTA at least **72 hours in advance of travel**.

For all guests who have approved ESTA's there will be no change to their check-in. Travellers arriving at the airport for travel to the United States without a previously approved ESTA will likely result in being denied boarding.

For more information visit the US Department of State website. <https://esta.cbp.dhs.gov/>

Other points of note:

An application fee applies when applying for an ESTA. Please refer to the US Department of State website.

Even if a traveller has an ESTA they will still be required to complete a paper form I94W and present it to US Customs on arrival into the USA.

Accompanied and unaccompanied children, regardless of age, will be required to obtain an independent ESTA approval.

VWP nationals who have valid visas, and other nationals that require visas, will not be required to apply for an ESTA.

An ESTA is valid for two years (unless the passport data limits validity) and will be considered acceptable for multiple use.

US Customs recommends that ESTA applications be submitted no less than 72 hours before travel.
